Healthy Soils for a Healthy Planet: the "4 per 1000" virtual fair 2022

Use the opportunity to present your current projects and exchange with other people from your field and from your region! Take some time to go on a virtual tour and get inspired by what's happening in the area of carbon sequestration and soil health around the world!

[Get your own booth](#)

Events during the fair:

[Home](#) | [Events](#) | [Search by label](#) | [Get a booth](#) | [FAQ](#) | [Chat](#)

Be part of the action!

Make sure to share your work and meet other actors in your field or from your region during the thematic and regional events in the next two months!

Now choose a keyword from the list.
