

# CarbonLock

Freezing CO<sub>2</sub>

The label that decreases CO<sub>2</sub> emissions in Europe

[www.labelcarbonlock.com](http://www.labelcarbonlock.com)

# Join us to decrease CO<sub>2</sub> emissions in Europe

Every time you choose to purchase from  
one of our CarbonLock partners, you cut  
down CO<sub>2</sub> emissions in Europe

## How?

Thanks to your purchases, we buy and  
freeze carbon allowances, decreasing the  
amount of legal CO<sub>2</sub> emissions in Europe
