Summary

Bonsucro engages with all stakeholders interested in supporting the sustainable production of sugarcane. With members in 52 countries and certified producers in 19 countries, Bonsucro is the leading platform to tackle sustainability challenges and provide support to sugarcane producers and their supply chain partners. The Bonsucro Production Standard is the most widely recognised sustainability standard for sugarcane which promote good practices in soil management, climate change resilience, social sustainability and economic viability.

Nous parlons français, se habla español, falamos português!

Partnerships

Clients / Target group

Bonsucro is a global multi-stakeholder non-profit organisation that exists to promote sustainable sugarcane production, processing and trade around the world. Bonsucro supports a community of over 250 members in over 50 countries, from all elements of the sugarcane supply chain, including, farmers, millers, traders, buyers and support organisations.

Bonsucro's **vision** is a sugarcane sector with thriving, sustainable producer communities and resilient, assured supply chains. Our **mission** is to ensure that responsible sugarcane production creates lasting value for the people, communities, businesses, economies and eco-systems in all cane-growing origins. Bonsucro's **strategy** builds a platform to accelerate change for the largest agricultural commodity in the world – **sugarcane**.

Established collaborations and partnerships

A network for everyone who works with sugarcane

No matter which part of the supply chain you're interested in, no matter the size or nature of your business: if you're invested in sugarcane, and you want to ensure we all take the next step, you can do so as a member of Bonsucro.

Desired collaborations and partnerships

Benefits of membership

- Help make the sugarcane sector more sustainable
- Work towards achieving Sustainable Development Goals such as 'responsible consumption and production' and 'climate action'
- Obtain direct access to the Bonsucro team in London, São Paulo, Buenos Aires, Mexico City, Cape Town, Delhi and Singapore
- Collaborate on impact projects to address key sustainability issues in sugarcane, such as supporting smallholder farming communities and exploring synergies with government policy
- Use the Credit Trading Platform – a revolutionary tool to connect sugarcane buyers and producers
- Receive technical advice on sustainability in sugarcane production and supply chains
- Use Bonsucro's practical tools and resources to understand your sustainability status and identify areas that you can improve
- Receive dedicated membership management that includes consultation with Bonsucro staff and action plans.

Time for discussion (Video Chat)

During the indicated periods, one of the team members is available for a chat.
