## Promoting soil regeneration as a climate solution

[Summary](#) | [Presentation](#) | [Image gallery](#) | [Videos](#) | [Further information](#) | [Partnerships](#) | [Opening hours \(Video Chat\)](#) | [Events](#)

### Exhibitor

Regeneration Canada

<https://regenerationcanada.org>

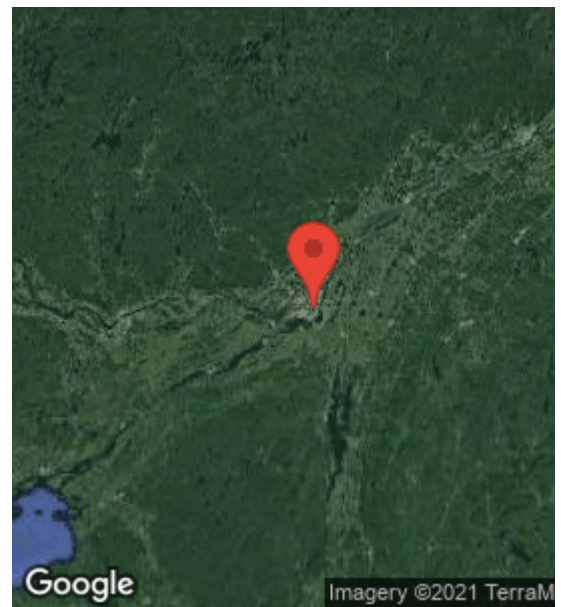

RÉGÉNÉRATION  
CANADA

### Team

Aviva Lessard

### Location

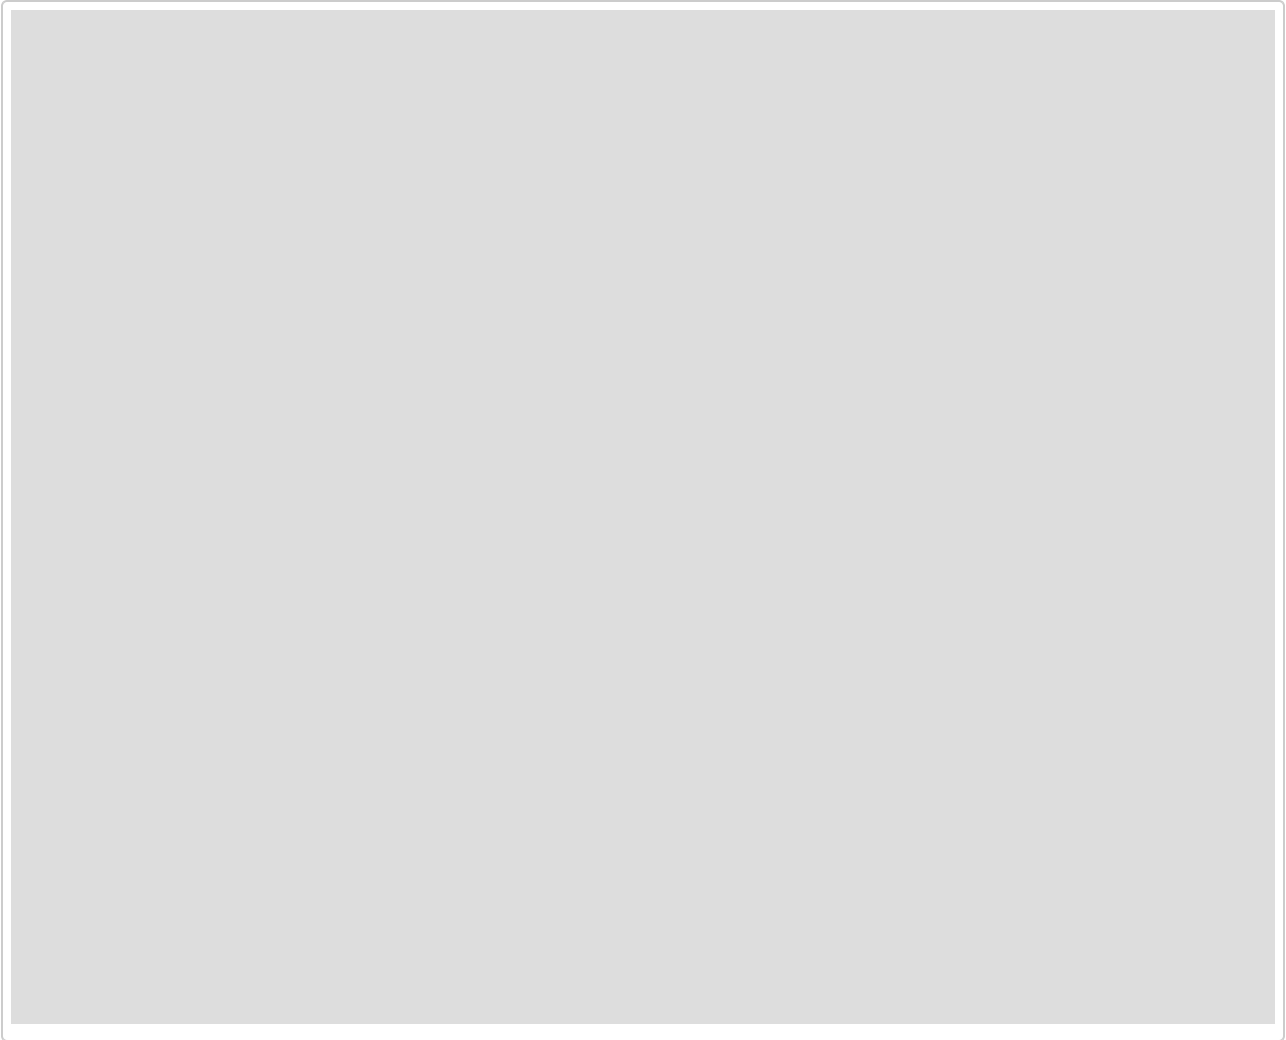

Montreal | Canada

### Summary

Promoting land management practices that regenerate soil health and sequester carbon to reverse climate change and support a healthy food system.

### Presentation

## Partnerships

### **Clients / Target group**

We are building an interdisciplinary [network](#) of soil and climate passionates. We create spaces for farmers, landowners, scientists, agronomists, businesses, community organizations, governments, and citizens to learn, connect and take action to regenerate soils.

### **Established collaborations and partnerships**

View our members and partners page here: <https://regenerationcanada.org/en/our-network/>

## Desired collaborations and partnerships

Farmers and farmer organizations across Canada

## Opening hours (Video Chat)

During the indicated periods, one of the team members is available for a chat.
