EVENT short DESCRIPTION

A Restoration World Tour with some Members, Partners and Friends of the "4 per 1000" International Initiative "Soils for Food Security and Climate".

The virtual fair of the "4 per 1000" International Initiative, during EU Green Week, on-line from 3 May 2021 to 11 June 2021, has succeeded in re-assembling 125 stands, show-casing their activity under the patronage of the "4 per 1000" Initiative. This fair has clearly boosted the multi-stakeholder dialog & enhanced International solidarity.

The "4 per 1000" Restoration Event, on 1st of June 2021, will showcase and illustrate:

- the diversity of solutions the "4 per 1000" Members, Partners and Friends of the Initiative work on, especially the solutions focused on restoration.
- the power of the "4 per 1000" network and of its electronic collaborative platform
- how the participants to the virtual fair of the "4 per 1000" Initiative have identified collaboration opportunities and got to know each other
- It will also raise public awareness on the role of soil health.
