Scope

It could be any gathering, a call for scholarship or project proposals, or any other announcement you feel relevant to "4 per 1000".

Transparency

All information from your organization will be listed on your organization's [profile page](#), allowing you to keep an overview of your contribution to the "4 per 1000" knowledge base.

Ownership

We will do a formality check and let you and your organization's contact person know once the contribution is published. You and the contact person will have permission to update or remove the entry.

Check your [organization's profile](#) to find out who the contact person is. If the profile does not indicate a contact person, ask your management to appoint someone. It might be you.

You must log in to view and complete the form.
