

0044 - Helping share farmers best-kept secrets on soil health with other farmers

Type	Webinar
Title	Helping share farmers best-kept secrets on soil health with other farmers
Organizer(s)	Access Agriculture
Date	08 Jul 2022
Time	1200pm
Time zone	(GMT+00:00) GMT
Duration	45 min
Event location	Brussels
Country	Belgium
Description	Access Agriculture has a series of training videos to help farmers improve soil fertility. It has developed a last mile delivery model involving a growing network of young rural changemakers, known as "Entrepreneurs for Rural Access" (ERAs), who are equipped with a solar powered smart projector (containing all Access Agriculture farmer-training videos).
Keywords	Access Agriculture, soil health, farmer training videos, agroecology, Youth Entrepreneurs
