## Join our Task Forces

Feel free to join our Task Forces to be part of projects contributing to the implementation of the "4 per 1000" strategy. Based on the Implementation Strategy, the Task Forces will prioritize and form partnerships and alliances to develop concepts for projects that contribute to our vision and help achieve the 2030 and 2050 goals and targets. Concept proposals are investment opportunities and will be presented to funders for support. Depending on feedback, the partnerships and alliances will then develop and submit full project proposals according to investor guidelines.

[Click here to join the Task Forces that interest you most.](#)

Please view the [Strategy Implementation Cycle - SIC](#) for a detailed description of the mechanisms to promote projects.
